

6th Annual “FESTIVAL OF TREES”

Welcome to the 6th Annual Festival of Trees, where holiday magic transforms the usual into the extraordinary. Within weeks, Government Center will look like a winter wonderland with uniquely decorated Christmas trees.

While this holiday magic lasts only a few weeks, it continues throughout the year in the hearts of those who volunteer and support The Festival of Trees. Make the Festival of Trees a part of your holiday season and help share the magic.

Businesses, civic organizations, neighborhood groups and more are invited to sponsor a 6-foot tree for \$50. The sponsor then decorates the tree however they choose.

All trees will be displayed at Government Center where the trees will deck the halls in true holiday spirit. The “Festival of Trees” event is scheduled for Saturday, December 11th from 11:00AM – 2:00PM where guests will be welcomed in true holiday spirit to view the trees enjoy a light refreshment and a visit from Santa.

Creative Arts Network Inc, CAN invites you to spend the day in Fall River, a city, rich in history and a love of Art & Culture!
